Requests that a sum of Rs 222-0-4, being the Shanbog fees, due by the contractor for liquor to the Madhugiri Taluk may be waived.

It is stated that due to the prevalence of plague at the place the local Shanbog was not held for a period of 5 months and consequently the contractor sustained a loss for the period. The Dist Collr have therefore resolved that a sum of Rs 260-13-4 being the Shanbog fees for that period may be waived but the D C recommends that a sum of Rs 222-0-4 may be waived, as the contractor has realised a sum of Rs 38-13-0 during that period

& submits with a draft G.O. sanctioning the recommendation of the D C for orders.

Sir

Re Remission of Rs 260-13-4 being the shandy fees due by the contractor to the Madhugiri Town Municipality, on account of the outbreak of plague during the year 1940-41

In forwarding herewith the connected records received from the President, Town Municipal Council, Madhugiri, on the above subject, I have the honor to state as follows -

The President states that the collection of shandy fees was leased out on contract for the year 1940-41 for a sum of Rs 625/- to one Abdul Hafiz, payable in twelve monthly instalments of Rs 52/2/8 each As the town was evacuated for nearly five months during the outbreak of plague (that is from November 1940 to the end of March 1941) and as the collections had also suffered, the contractor - presented a petition to the President, praying for remission of a sum of Rs 260-13-4 (being the five months khist at the rate of Rs 52-2-8) The matter was placed before the Municipal Council and was resolved at their meeting held on 13-7-1941 that five months khist amounting to Rs 260-13-4 may be remitted as the shandy could not meet due to the prevalence of plague and the consequent evacuation of the town by the people

It is reported that the contractor has, in all, credited a sum of Rs 365-2-8 and has also realised a sum of Rs 38-13-0 during the said five months The balance of the amount due by the contractor amounts to Rs 260-13-4 which is equal to five months

months khist which is now recommended for remission by the Council The contractor has furnished a statement stating that he has incurred loss to the extent of - Rs 421-6-2 but there is nothing on record to show as to whether this has been accepted by the Council

In the present case the outbreak of the plague epidemic and the consequent evacuation of the town might be considered as an unforeseen event beyond the control of the contractor and the contractor be given remission bearing a reasonable proportion to the loss incurred according to Rule 4, of the Remission Rules issued with Notification No L 8265/M1 89-40-25 dated 16-5-1941

In the circumstances stated, I recommend that a sum of Rs 222-0-4 may be kindly remitted (Rs 260-13-4 less the amount realised by the Contractor Rs 38-13-0)

I have the honor to be,
sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District
